Hi Jessica,

I am impressed, these are really good.
my compliments to you and your team.

I'm impressed, these look really good, my compliments to you and your team. I'm sure my boss will be very happy if all racks look like this prototype.

I can confirm we need 17 levels, and we'll go with your improved type.

Other than that, please make sure the bolts are stainless, the wheels high temperature plastic, and that the bearings are greased with high temp grease.

you're good to proceed!
