

Custom Made Industrial Baking Tray, Extra Large Commercial Bread Pans, Non Stick Perforated Baguette Pan French Bread Loaf Baking Tray

Main features of extra large 16 grooves baguette baking pan French bread baking tray

Premium Materials: Crafted with precision, our large baguette baking pan features a combination of high-quality materials for optimal performance. The aluminum perforated baking sheet ensures even heat distribution, while the stainless steel frame provides robust support, making it a durable and reliable tool in any bakery setting.

Efficient Design: Engineered for large-scale production, this baguette baking pan is designed with 16 and 21 rows, facilitating the simultaneous baking of numerous baguette breads. The thoughtful arrangement maximizes baking efficiency, allowing for increased output in bakery food factories.

Versatility in Automation: Ideal for use on automatic machinery production lines, this baking pan seamlessly integrates into industrial processes. The design caters to the demands of automated production, enhancing workflow and reducing manual labor, making it an excellent choice for modern bakery operations.

Professional-Grade Performance: With over 17 years of experience in the industry, we take pride in our status as a professional manufacturer. Our commitment to quality is reflected in this baguette baking pan, ensuring consistent, high-quality results with each use. The large size and expert design make it a staple for commercial bakeries aiming for excellence.

ODM & OEM Services: As a trusted [industrial baking tray manufacturer](#) since 2006, we offer ODM (Original Design Manufacturing) and OEM (Original Equipment Manufacturing) services, providing tailored solutions to meet specific requirements. Benefit from our extensive experience and let us customize commercial baking pans to suit your unique needs, ensuring your bakery stands out with top-tier products.
