OEM Industry Cup Tray Customization from Multi-mould pan manufacturer in China

In order to meet different customer requirements, customized mould-open baking tray is becoming one of our best-selling point. Our products have been exported to Europe, American, Australia/New Zealand, the Middle East, Asia, Africa and other areas. We look forward to joining hands with more and more customers in the world to enjoy the charm of qualified bakeware. Here we list several notes you may need to start customization:

1. I want to customize hamburger baking tray, what should I do?

Please kindly let me know your required size (length/width/height) and frame size.

2. May I have a sample to confirm whether it is what I want?

We would like to offer charged sample. And usually it will take 3-5 days. It will need 7 days more if the OEM industry cup tray surface needs teflon coating or silicone coating.

3. I want to customize multi-mould pan, what should do?

please kindly send us a photo for reference first. Then we will make sure that we can reach your workmanship requirements, and find out whether it need mould or not to produce your required multi-mould pan.
