

Non-stick 4 rows baguette tray with closed frame

Main features of 4 rows baguette tray with closed frame

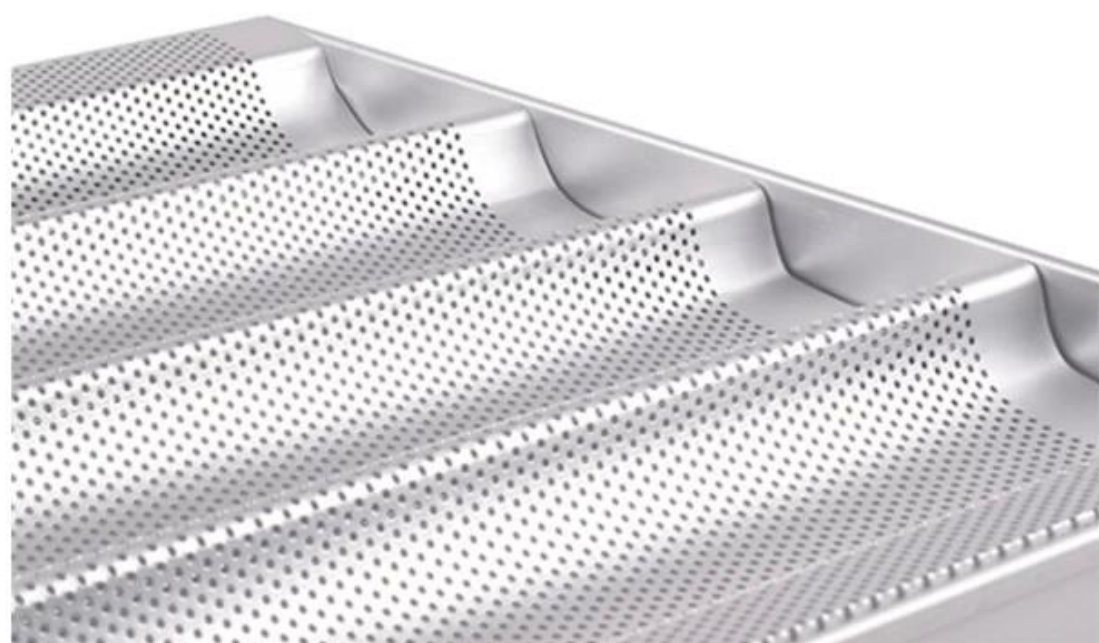

1. Crafted from perforated aluminum, this pan is ideal for start-up restaurants or bakeries with a budget. The perforated design promotes better airflow around the bread while it bakes to get a crispier crust.
2. Closed frame at both ends of the baguette tray hold the bread dough stable during moving, making it a must-have for baking the perfect baguette.
3. PFOA/PTFE free, the non-stick coating on this pan is safe to use in your commercial environment,
4. Different sizes and rows for your options, suitable for most of the ovens. And customized size is welcomed as we are professional and engaging in baguette tray ODM&OEM service.
