

Machine Stamp 40x60cm Aluminum Baking Sheet Tray without Wire in Rim

Main features of

machine stamp 40x60cm aluminum sheet pan baking tray with round/right-angled corner

1. This aluminum sheet tray is made of high-qualified and 1.2mm thickened aluminum alloy, which will never rust for long service life and makes bread/cake bake and brown evenly due to its superior heat conductivity.
2. It is made with all inclined side around and with round/right-angled corner for choices. The 1.2mm thickness supports enough strength preventing warping during baking.
3. It is produced for multiple function, making brownies, baking large sheet cakes, cooking sheet pan dinners etc.
4. Anodized surface for better durability and non-stick characteristics.
5. Easy for demoulding and cleanup. It is recommended to be washed by hand.
6. Tsingbuy [best baking sheets factory](#) makes it in 400*600*20mm size. And customized size is welcomed. Custom manufacturing is one of our largest business and as well as our biggest strength.
