

400*600mm 5 Slots Non Stick Aluminum Perforated French Bread Baking Tray Baguette Pan

Main features of 400*600mm 5 Slots Aluminum French Bread Baking Tray Baguette Pan

Introducing our 5 waves aluminium French bread baking tray, meticulously engineered for the demands of bakery, restaurant, and food factory operations. This professional-grade bread tray, made from premium aluminium, is the epitome of reliability and performance, designed specifically for crafting flawless baguettes.

Crafted with a non-stick surface, this perforated French bread tray ensures seamless bread release and effortless cleaning, guaranteeing a smooth production flow. Its perforated design and ideal 400 x 600mm size enable the baking of five rows of delectable baguettes simultaneously, optimizing your output without compromising on quality.

The perforation design facilitates superior airflow, ensuring an even bake and achieving that coveted golden crust. Tailored to meet commercial and industrial needs, it's an indispensable asset for bakeries, restaurants, and food factories striving for consistent excellence in their bread production.

Moreover, Tsingbuy [aluminum baguette pan factory](#) provides customization options that allow you to tailor the tray size to your exact specifications, complemented by our professional ODM and OEM services for commercial bread trays. Whether you're seeking efficiency or bespoke solutions, this tray can be designed to meet your needs.

Elevate your baking prowess with our commercial grade aluminium alloy French loaf bread baking tray - the pinnacle of durability, functionality, and customizable features for your commercial bread-making endeavors.
