

Commercial 40-tins Non Stick Croissant Bread Baking Pans Baking Trays for Bakery Restaurant Food Factory

Main features of 40-tin non stick croissant bread baking pan

Introducing our premium-quality croissant bread baking pan set, meticulously crafted to elevate your baking experience to new heights. Each aspect of this product has been carefully designed to ensure exceptional performance and reliability, making it an reliable tool for commercial baking settings.

Constructed from high-grade aluminized steel and finished with a durable teflon glaze, these pans offer unparalleled durability and heat conduction. The robust 600x800mm large pallet accommodates a total of 40 tins, providing ample space for baking multiple batches of delicious croissant bread with ease.

The surface of each tin is coated with a premium Teflon non-stick layer, facilitating effortless release of your freshly baked creations and simplifying the cleaning process. This feature ensures that your croissants maintain their perfect shape and texture every time, without the hassle of sticking or residue.

Designed to meet the rigorous demands of commercial baking settings, our croissant bread baking pan set is suitable for use in industrial ovens, delivering consistent results even under high-temperature conditions. Whether you're baking for a small cafe or a large-scale bakery operation, these pans are guaranteed to meet your needs with precision and efficiency.
