

Commercial Use 2pcs Set Non Stick Aluminized Steel Mini Half Ball Hemisphere Cake Baking Mold Baking Pan Set for Bakery Restaurant Food Factory etc

Main features of commercial 2 pcs set non stick half ball hemisphere cake baking mold pan

2-Piece Set

This industry cup baking tray comes in a 2-piece set, with each tray containing 24 half ball hemisphere molds, making it ideal for creating ball-shaped cakes, chocolates, and other desserts.

Efficient Production

With the ability to make 24 ball shape cakes or chocolates at once, this baking tray set is perfect for efficient production in commercial and industrial settings, such as food factories.

Durable Material

Made from aluminized steel with a non-stick coating, our baking tray is built to withstand the demands of industrial use, including repeated use on machinery production lines.

Professional Quality

Designed for professional use, this baking tray set is perfect for creating consistent, high-quality ball-shaped desserts for commercial or industrial settings.

Versatile Use

In addition to creating ball-shaped desserts, this tray set can also be used to make a variety of other dishes, such as savory appetizers, making it a versatile addition to any industrial kitchen.

Customizable Size

The commercial baking tray set comes with a custom size option, both for the tray size and the hemisphere mold size, which means you can choose the size of the molds and trays according to your requirements. This feature allows you to make muffins or cupcakes of different sizes, and thus cater to a wide variety of customers. Tsingbuy [commercial muffin pans factory](#) has been engaged in bakeware industry for over 15 years and provides professional ODM&OEM service.
