

Wholesale Bulk Custom Handmade Deep Commercial Sheet Pan Nonstick Aluminium Bakery Oven Baking Tray

Main features of custom handmade commercial sheet pan aluminium oven tray

Custom Handmade

Our baking tray is custom handmade. Any custom size can be made and meet any baking needs standards. The exquisite workmanship detail means that you can trust our baking tray to perform reliably and consistently.

Large Size Sheet Pan

This sheet pan is made at 400x720mm size. It is larger than many standard sheet pans. This generous size means that you can bake more items at once, saving you time and increasing your productivity.

Non-stick

Our baking tray is non-stick coated, making it easy to remove your baked goods without damaging them. This feature also makes cleaning the tray a breeze, saving you time and effort.

Reverse Folded Edge

Our baking tray has a reverse folded edge, which makes it sturdier and more durable than traditional sheet pans. This construction also provides extra support and helps to prevent warping, ensuring that your tray stays flat and level.

Commercial Industrial Use

Our baking tray is designed for commercial and industrial use, making it perfect for bakeries and food factories. This durable tray can withstand the demands of a busy kitchen, ensuring that it will last for years to come.

Professional ODM&OEM Service
