

Factory ODM&OEM Detachable Heavy Duty 201/304 Stainless Steel Bakery Trolley Cake Bread Baking Tray Pan Trolley Oven Baking Rack with High Temperature Resistant Wheels

Main features of stainless steel bakery trolley bread tray trolley oven baking rack with high temperature resistant wheels

1. Application

The stainless steel bread trolley rack is perfect for use in restaurants, cafeterias, and bakeries. Its custom design allows you to store 20 baking trays pans or more safely without taking up much valuable floor space. It also has an detachable design that saves space when packing and shipping, while quick and simple assembly.

2. Durable Stainless Steel Construction

To ensure this product can withstand use in your busy commercial kitchen, it is made with high quality, durable, strong stainless steel material. This material also means that you don't need to worry about the bakery trolley rusting.

3. Provides Ample Storage Space

The runners on this trolley rack are spaced 120mm apart, and it is customizable according to your actual requirements, giving your foods plenty of room so air can properly circulate. It can be used directly in your baking oven or used as display rack of bread tray pans.

4. Custom Set of Trolley Rack with Baking Trays

This bakery trolley rack is with regular sizes and custom size is also available. We also provide matched baking pans, like baking sheet pan, baguette pan, bread loaf pan with lid, industrial cupcake trays etc. Tsingbuy [bread tray trolley factory](#) is professional in providing commercial bakeware ODM&OEM service.
