OEM Industry Cup Tray

[OEM industry cup tray](#) produced by Tsingbuy Industry Limited now has become one of the biggest multi-mould pan wholesales in China.

It is mostly used in food factory and bakery. Of course, it can also be used as home bakeware. It can hold two dozens of mini muffins or cupcakes at a time with 24 inner cups. It is very helpful at home for the weekend party or an upcoming birthday party, baby or wedding shower. It is an excellent cup cake tray can be also used to make cookies, too. This 24-cup muffin baking pan can saves bakers time and maximize oven space.

Non-stick high-quality materials and food safety

The non-stick muffin baking pan surface can be natural/no coating, or teflon coating, or silicone coating. It is very easy to release food and clean up. It can also be conveniently used in trolley.

Standard size molds and customized industry cup tray also acceptable

No-stick nuffin baking pan made out with machine stamp had round corners. As one of the most experienced China bakeware supplier, we have various shaped of inner-cup which are most frequently used in commercial bakery. Customized design and production can be also accepted.
