Dough scoring lame is the most essential baking tool and it helps baker creating more perfect cuisine.

Using a [bread scoring lame](#) to slash on the loaf's surface can keep perfect bread appearance, as it allows the dough to properly expand without tearing the skin or crust. Besides, slashes on dough promote moisture to escape from the loaf and release gas like carbon dioxide that is trapped inside the dough.

Proper scoring with a good tool also helps the baker to control exactly where the bread will bloom. This significantly keeps perfect appearance of breads. Using scoring tools also creates bread and loaf of varieties in forms and appearance, which could show the bread baker's artistic talent and tag a unique signature on the loaf.

Stainless steel bread lame with wooden handle from Tsingbuy bakeware manufacturer is an excellent choice for bakers.

There are 5 pieces of razors in a set of [bread scoring lame](#). It also comes with a leather cover to hold

the razor when it is not in use, so to protect your fingers from hurt by the sharp blade.

The good curved blades make good cuts in dough and can also reach underneath crust as you making slashes. It doesn't only make the bread appealing and professional look, but also make baking more easier and faster.

Makes For Beautiful Scoring on Dough Breads.

Blade is held on the [stainless steel bread lame](#) by compression in good stability. It will not slide off easily if you installed it properly. What's more, the handles are made of wooden for stable grip.

SKILLFULLY DESIGNED

- ▶ Blade in good stability.
- ▶ Not slip and wobbles.
- ▶ Shape, easy to cut.

- Protect your fingers
