

Stainless Steel Cookie Baking Pan for Bakery Home Kitchen Restaurant etc

Main Features of Stainless Steel Cookie Baking Pan Bakery Trays

stainless steel material, durable

Made of thickening high quality stainless steel material, healthier material, safe to use
It has better corrosion resistance and longer service life.

Electrolytic treatment process

The inner and outer surfaces of the tray are all treated with electrolytic matte technology, which is fashionable and beautiful, matte with good touch feeling, not easy to leave stains, easy to clean and more practical.

Multiple sizes for choices

We supplied five sizes for your choices, 17/19/22/24/28 inches in deep and shallow options.
Fashionable rectangular appearance, round corner, wide edge, can choose the right size according to the demand. Customized size is also welcomed in Tsingbuy [stainless steel baking pans factory](#).

Sweet Design

Curling design is adopted for corners, which is mellow, preventing hand cutting and more handy.
Trays of same size can be stacked, saving space
