## **How per mantenere e pulire il cestino del banneton?**

In primo luogo, per rimuovere i ciuffi di farina dalla superficie del banneton, spazzolarlo leggermente sopra il lavandino e battere più volte dopo ogni utilizzo.

In secondo luogo, quando il film di farina sul banneton diventa denso e croccante, immergilo per 20 minuti in acqua fredda e usa una spazzola (senza sapone) per pulirlo.

Terzo, se possibile, appendi il banneton al sole ad asciugare all'aria. A seconda del livello di utilizzo, le panetterie professionali si lavano i banneton ogni sei mesi o ogni due anni. Se solo cuocendo una pagnotta occasionale a casa, il banneton potrebbe non aver mai bisogno di lavarsi.
