## Silicone Material Food Grade

We've chose high quality silicone food-safe for the sourdough bread basket so that you won't have to worry about degrading over time like wicker. We've used only premium quality materials throughout this bread rising basket that should last long service life.

Non-stick, reusable and keep your health.

With the collapsible feature, take it anywhere just you like.

Not break, safer to use, do not worry about sharp edges or broken pieces.

The best alternative to baking traditional bread, getting a consistent rise with crispy crust without needing a liner

Multiple functions, can also be used a serving tray for bread, fruit, snacks etc.

Relatively soft and flexible, and will not dent or rust, saving sapce for storage and transportation
