

Factory Custom Made 600mm x 800mm Large Size Aluminum French Stick Tray 10 Rows Baguette Bread Baking Pan

Main features of 10 rows aluminum French stick tray baguette bread baking pan

Introducing our Aluminum metal French stick tray, meticulously crafted to meet the demands of professional kitchens and bakeries. Manufactured with precision in our factory, this tray combines durability, convenience, and superior quality for intensive commercial use.

Constructed from high-quality perforated aluminum, this tray ensures even baking and optimal heat distribution for perfectly baked French sticks every time. Its stainless steel frame, reinforced with sturdy rivets and reinforcing bar at the back side, provides exceptional stability and resilience, even in the most demanding environments.

Featuring generous dimensions of 600x800mm and 10 rows, this tray offers high production capacity, ideal for meeting the demands of bakeries, restaurants, and food factories. Its natural surface without coating ensures uncompromised baking, preserving the authentic taste and delightfully crisp texture of French sticks.

Customizable to your specific needs, this aluminum French stick tray is available at a competitive price, providing excellent value for equipping your establishment professionally and efficiently. Choose quality and reliability with this French stick tray, the essential tool for your kitchen or bakery.

Custom made by Tsingbuy, a trusted [French stick tray manufacturer](#) with over 17 years industry experience, this baguette bread baking tray comes with the added advantage of professional Original Design Manufacturing (ODM) and Original Equipment Manufacturing (OEM) services.
