

Personalized Bakeware 3 Cavities Semicircle Aluminum Strap Bread Loaf Baking Pan for Industrial Commercial Use

Main features of personalized bakeware 3 cavities semicircle aluminum bread loaf baking pan

1. Manufactured from aluminum alloy or aluminized steel, which is optional, with double strengthening bars over the whole pan.
2. Capable of baking 3/4/5/6/8 loaves quickly while still maintaining the quality of loaf bread baking.
3. Available in a range of sizes, in configurations to suit all industrial/commercial ovens.
4. Natural surface, non stick coated with PTFE/Silicone glaze is optional. The non stick coating is suitable for contact with food and has longer-lasting performance. It also reduces the oil when baking and saves your cleaning time and labor.
5. Tsingbuy [bread loaf pan factory](#) provides "design-sample confirmation-batch production" service with more than 15 years of ODM&OEM experience.
