

Custom Made Aluminized Steel Non Stick Bread Baking Pan Set, Strap Loaf Pan, Toast Sandwich Bread Baking Molds

Main features of 3 cavities non stick strap loaf pan bread baking pan set

1. This commercial bread baking pan is capable of holding 3 loaves. This strap loaf pan allows you to produce three loaves to sell or serve quickly while still maintaining the quality of baking. Whether making signature dinner loaves or seasonal breads, this bread baking pan set is a good choice to help finishing your baking job easily.
2. The bread loaf pans are manufactured from 0.7 aluminized steel while aluminum material is also optional, with durable supporting frame which meets the demanding commercial baking settings.
3. The edge of each bread mold is fitted with a 5mm diameter rim wire. The frames are manufactured of 1.2mm aluminized steel for super support and durability.
4. The surface of bread mods are non stick fluted finish and come with steam holes.
5. This toast breas baking pan set is manufactured by Tsingbuy [strap loaf pan manufacturer in China](#), who has been engaged in commercial baking pans for over 17 years and providing professional ODM&OEM service. The custom made bread baking pans are available in a range of sizes, in various configurations to suit all industrial, commercial or domestic ovens.
