

Heavy Duty Aluminized Steel 5 Strap Loaf Pan with Lid

Main features of aluminized steel strap loaf pan with lid

1. High quality aluminized steel materials, good heat conductivity, food-safe and strong durability.
2. Folded construction with reinforced wire support in each pocket, stable and not warp being heated
3. Extra reinforced bar around all pockets provides superior strength and make the whole body more durable
4. The custom design in size makes them suitable for machinery food-production lines, available in oven configurations for greater efficiency
5. The customized strap loaf pan has simple-to-use drop-on cover which can be buckled to be fixed and also has reinforced bars.
6. Tsingbuy [alusteel loaf pan factory](#) has more than 12 years experience and ensures you high-qualified product with excellent performance.
