

Industrial Aluminized Steel Oven Pan Baking Tray, 70-tin Mini Square Muffin & Cupcake Baking Pan

Main features of commercial 70-tin mini square muffin & cupcake baking pan

Premium Aluminized Steel Construction

Crafted from durable aluminized steel, this pan ensures excellent heat conductivity and uniform baking results, making it ideal for professional baking environments.

Non-Stick Coating

Designed with a superior non-stick coating for effortless release and easy cleaning, enhancing efficiency in high-volume baking operations.

Interlocked Design with 70 Tins

Features a robust interlocked construction with 70 square tins, providing consistent shape and size for large-scale cupcake or muffin production.

Optimized for Commercial Use

Engineered for commercial bakeries, food factories, and automatic machinery production systems, this pan seamlessly integrates into high-speed and automated production lines.
