

Wholesale Aluminium Food Baking Tray Bakery Oven Tray for Cookies Biscuits Bread Cake etc

Product Description

All sizes

this cookie sheet baking tray comes from Tsingbuy [China baking tray factory](#) with multiple regular sizes, such as 330x460mm, 660x460mm, 400x600mm, 600x800mm and so on. Custom size sheet pan is also available in our factory. So, you always have the perfect size options for your baking job.

Sturdy pan

say goodbye to burnt baking tray bottoms. Our aluminum trays for baking allow for superior heat conductivity with wire in rim rolled edges that provide extra strength to prevent warping.

Long service life

don't waste your money on aluminum baking pans that easily scratch and rust with time. Our baking trays are built with quality manufactured sheet materials that let you bake for years to come.

Multiple functions

the tray can be used to bake cake, bread, cookies, biscuits, macaroon etc pastry food, as well as meat such chicken wings, turkeys, etc . The ridges are optional with multiple depth specifications. It can be big enough to keep warping out and juices in, and as small as to bake cookies for easily pouring out after baking job.

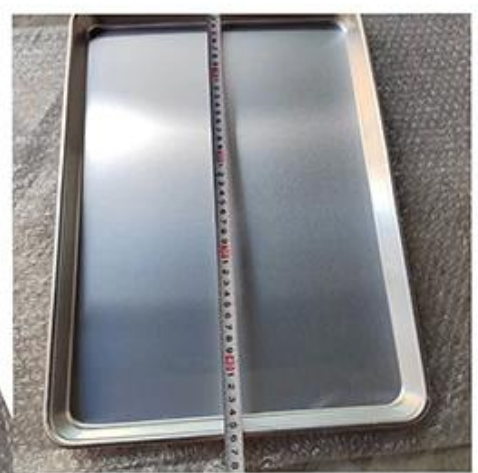

Easy to clean

spend more time over the baking and less time over the cleanup! When you're all done with our baking trays for oven use, just wipe them with wet soft cloth and dry it.

Customer Feedback

Customer feedback

Hi Zoe

Thanks for the information on trays pricing.

If we found marketing for these we be in contact with you.

The cup cake trays you sent we are happy with them.

Please kindly we need the second shipment to be identical to the 500 sent.

I am sure they will be. The same specifications as before.

Pl. the trays you sent shipment of we are happy with them. need second shipment

I like u bread box

Still working fine

so glad to hear that

how's coating after you use ?

Still very good

I am using daily 3times

Still very good

do you maintain the coating ?

Yes

And the quality of aluminum also good

the quality of aluminum also good

that will use more longer

I think I can use 3to 4 year a

goods.

Hi Jessica,

I am impressed, these are really good. my compliments to you and your team.

I'm impressed, these look really good, my compliments to you and your team. I'm sure my boss will be very happy if all racks look like this prototype.

I can confirm we need 17 levels, and we'll go with your improved type.

Other than that, please make sure the bolts are stainless, the wheels high temperature plastic, and that the bearings are greased with high temp grease.

you're good to proceed!
