

# **Factory Wholesale 125/250/450g Aluminum Non Stick Low Sugar Loaf Bread Baking Pan Toast Bread Baking Tin Mold with Lid**

## **Main features of aluminum non stick low sugar loaf bread baking pans with lid**

- Safe and Health : imported food-grade non stick coated surface, suitable for baking low sugar loaf bread. No harmful substance release in high temperature baking.
- Commercial Grade : adopts thickened 1.0mm aluminium alloy material to accelerate even heat. Strengthened folded edge for convenient use and avoid warping. Ensure longer service life
- Easy to Use : excellent non-stick features can be achieved with less natural baking oil, less baking time and low energy consumption. Easier to release loaf bread and clean up.
- Multiple Applications : baking at home kitchen, quickly make high quality family dishes, afternoon tea, banquet desserts and other delicacies. Easy to deal with daily baking, family dinner, friends gathering, festival celebrations, etc. The bread pan can also be used for commercial use in bakery, restaurant, hotel, supermarket etc.
- Low Price : Tsingbuy [non stick loaf pan manufacturer](#) provides wholesale of this loaf bread baking pan with lid at low price. Custom design and manufacturing is also available in Tsingbuy factory.
