

Custom Made Aluminized Steel Large Size Non Stick Baking Sheet Pan

Main features of custom made large non stick baking sheet pan

Premium Aluminized Steel Construction

Made from high-quality aluminized steel, this baking sheet pan offers superior strength, durability, and excellent heat distribution, ensuring even baking results.

Non-Stick Coating

Featuring a Teflon non-stick coating, this pan makes for easy release of baked goods and effortless cleaning, preventing sticking and reducing the need for excessive oils or sprays.

Custom Large Size (800*800mm)

Available in a custom large size of 800*800mm, this pan is ideal for commercial and industrial use. It is perfect for bakeries, food factories, restaurants, and automatic machinery production systems.

Versatile Use

Designed for multiple baking applications, this baking sheet pan can be used for baking cookies, biscuits, various types of bread, cakes, and more, making it a versatile choice for professional kitchens.

Professional ODM&OEM Service

Manufactured by Tsingbuy, a leading [non stick baking sheet supplier in China](#) since 2006, we provide professional ODM&OEM services tailored to meet the unique needs of commercial and industrial clients, ensuring top-quality products for your baking operation.
