Main features of 10*10*4 mini cake bread baking molds mini square loaf bread pan with lid

Introducing the custom made 10*10*4cm mini square bread loaf pan with lid by Tsingbuy – the perfect companion for your baking adventures! Crafted with precision from high-quality aluminum material, this mini bread pan is designed to elevate your baking experience.

Aluminum Material: this mini square bread mold loaf pan is constructed with durable aluminum, ensuring even heat distribution for consistent baking results. The sturdy material guarantees longevity, making it a reliable choice for your kitchen.

Non-Stick Surface: Say goodbye to sticking nightmares! The non-stick surface of this mini square bread mold loaf pan ensures easy release of your delicious creations. Enjoy flawlessly shaped loaves without the hassle of stubborn residue.

Mini Size Design: Designed with mini-sized loaves in mind, this square bread baking pan is perfect for creating individual servings or a variety of petite bread types. Ideal for experimenting with different flavors and presentations.

With Cover: The included lid adds versatility to your baking endeavors. Use it to trap moisture for a softer crust or leave it off for a crispier finish. The lid also helps lock in flavors and keep your bread fresh.

Hole at the Bottom: Enhance air circulation and achieve uniform baking with the strategically placed hole at the bottom of the pan. This feature ensures that your mini loaves are perfectly baked from top to bottom.
