

High Quality Commercial Baking Pans, Double-sided Non Stick Aluminum Loaf Baking Tin Molds with Lid

Main features of double-sided non stick aluminum loaf bread baking tin molds

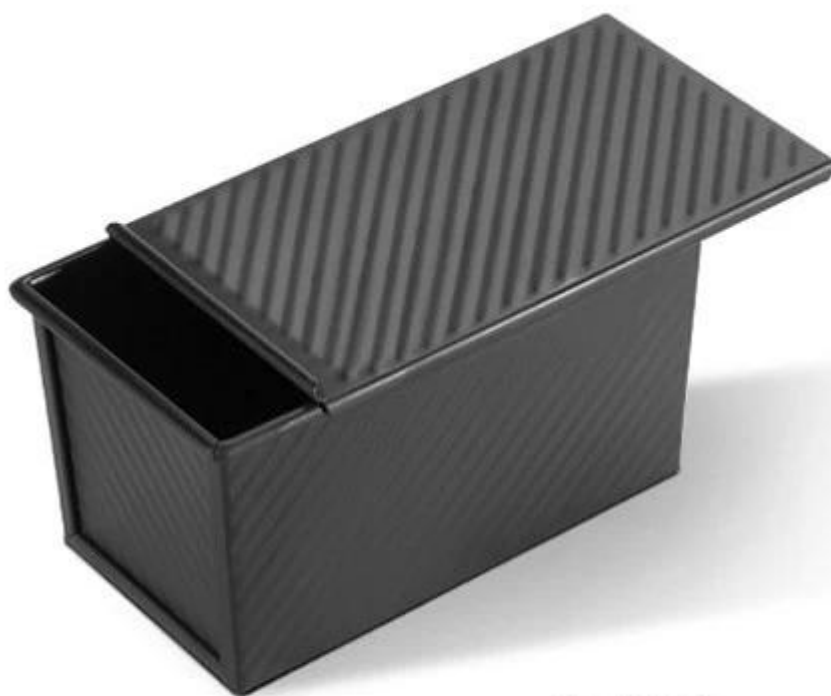

- 1. Crafted from Durable Aluminum Alloy:** Our aluminum loaf bread baking tin molds are constructed from premium aluminum alloy, ensuring durability and excellent heat conduction, which is essential for achieving that perfect loaf of bread.
- 2. Precision-Engineered Design:** Each of our loaf bread baking tin mold comes equipped with strategically placed holes at the bottom. These holes help promote even baking, allowing your bread to achieve the ideal texture and flavor.
- 3. Double-Sided Non-Stick Surface:** Choose between a smooth or corrugated surface, according to your specific baking needs. Our double-sided non-stick surface treatment ensures easy release and effortless cleaning, saving you time and effort.
- 4. Versatile Rectangle or Square Shape:** Whether you prefer the classic rectangular shape or a modern square design, our loaf bread cake baking tin molds are available with a convenient lid for a perfectly shaped, uniform loaf bread every time.
- 5. Multiple Standard Sizes and Customization:** We understand that each bakery and food establishment has unique requirements. That's why we offer a wide range of standard sizes, including 210g, 250g, 300g, 450g, 500g, 600g, 750g, 900g, 1000g, 1200g, and 1500g options. If you require a specific size not listed, our customization service is ready to cater to your exact needs.
