

# Factory ODM&OEM High Quality Carbon Steel Non Stick Baking Canele Mold Pan Cannele Baking Tin Canale Moulds for Both Home Kitchen and Commercial Bakery Use

## Main features of red non stick coated canele mold canele baking tin

Introducing our premium carbon steel canelé baking mold, the ultimate tool for creating perfect canelés every time! Crafted from high-quality carbon steel, this durable mold ensures even heat distribution for consistent baking results. Its fashion-forward, non-stick red coating not only adds a pop of color to your kitchen but also guarantees effortless release of your delicious pastries, making clean-up a breeze.

Key Features:

**Durable Carbon Steel Construction:** Provides superior heat conductivity and durability, ensuring your canelés bake evenly and maintain their shape.

**Fashionable Non-Stick Red Coating:** This stylish, vibrant coating not only looks great but also prevents sticking, making it easy to remove your canelés without any hassle.

**Perfect for Canelés:** Specially designed to help you achieve the classic caramelized crust and custardy interior that make canelés so irresistible.

**Easy Clean-Up:** The non-stick surface allows for quick and easy cleaning, so you can spend more time enjoying your delicious creations.

**Versatile and Multi-Use:** Ideal for canelés, but also great for baking other small pastries, cakes, and desserts.

Whether you're a professional baker or a home baking enthusiast, this fashion bakeware from Tsingbuy [China canele mold factory](#) is a must-have addition to your kitchen.
