

Features of Bread Basket on Sale

1. Our basket is made of food-grade-safe polypropylene cane with wire cord.
2. Every basket is meet Europe and USA food standard, waterproof, washable and microwaveable with natural wicker look.
3. Plastic wicker basket is naturally mildew proof and fading resistant, better than natural rattan, wicker or willow.
4. We can made different colors and different styles as different needs. Custom size and patterns are welcome.

The bread basket on sale is made of eco-friendly wicker / fake rattan/PP rattan with no dyeing and meets Europe and USA food standard. It is 100% hand woven from proofing basket manufacturer. It is a good storage tool for bakery, restaurant, fruit shops and home kitchen.

The [bread basket on sale](#) is much too convenient for use, as it is water-proof, washable and available in microwave oven.

Customization Services in Low Price Bread Basket

Plastic basket factory has stocked goods with standard size, which is 43x37x7cm. However, bread basket customization has been always welcomed and will be forever.

1. According to your inquiry, the proofing basket manufacturer will offer a drawing first.
2. After you confirming the drawing, the plastic basket factory will quote.
3. After quotation confirmed, you can place your order. (A priced sample can be shipped for your feedback first if you required.)
4. After order, production and shipping is following in several days. (There will be more time if a bigger amount.)
5. [Proofing basket manufacturer](#) could also offer logo tag along with the bread basket on sale.
