

Double-side Non Stick Aluminum Pandoro Cake Pan Christmas Tree Cake Baking Mould Octagonal Star Cake Mold

Main features of double-side non stick aluminum pandoro cake baking pan

Premium Material: Crafted from 1.5mm thick aluminum alloy, this pandoro mold boasts durability and sturdiness. Its surface features a non-stick coated aluminum alloy, forming a protective film that ensures safe and clean food isolation while facilitating faster heating.

Non-stick Coating: The interior of the mold is coated with a non-stick surface, ensuring that both bread and cake effortlessly release from the mold, resulting in beautifully finished products.

Beautifully Shaped: With its one-piece molding design, this pandoro cake mold guarantees that the finished product maintains an exquisite shape, perfect for crafting the classic traditional sweet, pandoro.

Easy to Use: The aluminum alloy construction of this baking mold simplifies the process of removing the pandoro mold. Additionally, its design prevents the retention of stains, making cleaning a breeze.

Multiple Use: Suitable for oven use up to 220°C, this cake mold accommodates various recipes, from dense, heavy cakes like cheesecake or carrot cake to light and airy layer cakes. Get creative and experiment with deep dish pizza, flan, and gelatin molded desserts using this versatile pandoro mold.

All Occasions: Ideal for preparing quality family dishes, afternoon tea treats, banquet desserts, and other delicacies, this Pandoro Mould cake mold is suitable for a wide range of occasions, including daily cooking, family dinners, gatherings with friends, and festive celebrations.
