

One-piece Material Molded Aluminum Non Stick Pullman Bread Loaf Tin Toast Bread Baking Pan with Lid for Home Kitchen and Commercial Bakery Restaurant Use

Main features of one-piece molded aluminum non stick pullman bread loaf tin toast bread baking pan with lid

1. **Durable Aluminum Material:** Crafted with high-quality aluminum, this loaf bread pan ensures excellent heat conduction and distribution, resulting in evenly baked goods. With a thickness of 1.0mm, it guarantees sturdiness and longevity, making it a reliable addition to your kitchen arsenal.
2. **Thoughtful Construction:** Designed with convenience in mind, our loaf bread pan features a one-piece sheet material molding. This eliminates the risk of any seams or joints that may cause leaks or uneven baking. Additionally, the pan is equipped with holes at the bottom, allowing excess moisture to escape and promoting optimal airflow. The included lid provides an airtight seal, preserving freshness and enhancing flavor.
3. **Double-sided Non-Stick Coating:** Say goodbye to the struggle of removing your baked creations from the pan! Our loaf bread pan boasts a double-sided non-stick coating, preventing your bread or cake from sticking to the surface. This feature makes it effortless to release your delectable creations, leaving you with perfectly shaped loaves every time and simplifying the cleaning process.
4. **Versatile Capacity and Functions:** With a generous 450g capacity, this loaf bread pan caters to your various baking needs. Whether you're baking traditional bread loaves, flavorful cakes, or even experimenting with other recipes, this pan has got you covered. Its multi-functionality allows you to explore a wide range of culinary delights, making it an indispensable tool in your kitchen.
5. **Professional ODM&OEM Service:** Tsingbuy [pullman loaf tin factory](#) has been offering professional ODM and OEM services with over 15 years experience. This means that not only can you enjoy the superior quality of our loaf bread pan, but we also provide an opportunity for home kitchen bakers and bakeware wholesalers to elevate their business.
