

Personalized Bakeware, Custom Made Square Shape Aluminium Corrugated Non Stick Pullman Loaf Pan Toast Bread Baking Tin Mould With Lid

Main features of aluminum corrugated non stick square pullman loaf pan cube bread baking pan with lid

- Safe and Health : Food-grade PTFE non stick coated surface, no harmful substance release in high temperature baking.
- Commercial Grade : Adopts thickened 1.0mmaluminium alloy material to accelerate even heat. The strengthened edge helps to avoid warping. Ensure longer service life
- Easy to Use : Excellent non-stick can be achieved with less natural cooking oil. Less baking time and low energy consumption. Easier for demoulding and cleaning.
- Multiple Applications : Quickly make high quality family dishes, afternoon tea, banquet desserts and other delicacies. Easy to deal with daily cooking, family dinner, friends gathering, festival celebrations, etc. Spend less time and have more fun
- Low Price: Tsingbuy [aluminum bread pan manufacturer](#) highly value customers' satisfaction while providing non stick toast pan wholesale with regular specifications. We also provide custom design and manufacturing for our customers, so as to offer a perfect solution to to your baking.
