BEST FOR MAKING HEALTHY and ARTISAN BREAD

Bannetons are used for rising your dough while providing the loaf with shape and wicking moisture from the crust, work by creating a slightly humid micro-climate between the dough and the banneton during proofing, to create a superb skin for artisan bread.

TOP QUALITY MATERIALS USED

100% handmade, hand-crafted unbleached 100% natural rattan cane that is eco-friendly, food-safe, and non-toxic, durable.

EASY TO CLEAN

Hand wash with warm water and keep dry after clean

GOOD EFFICIENCY AND MULTI-PURPOSE

Banneton has been used to ferment and shape dough for centuries. China banneton proofing basket has different shapes so that bread can be made out with expected shapes. And the natural grains of bannetons clearly imprint on the fermented dough, beautiful bread mould formed. It is also good for dough proofing. The dough is protected from moisture and humidity as the banneton is ventilated.

This low price bread basket is not only for dough fermentation, but can also bring outstanding performance for other purposes. Its decorative trivets style ensures a rustic, traditional and classic flavor. The braided natural rattan couldn't be better as an attractive and pretty bread basket, fruits basket, vegetables basket, or accessory around your house.

How to clean the natural rattan banneton proofing basket

After using China banneton proofing basket, dry it naturally. If there is dough stick on it, rub off lightly with a brush and clean it in warm and mild soapy water. Then put it in an airy place and dry it naturally. Don't hang the banneton in the strong sunshine.

How to Maintain Rattan Banneton Basket?

Rattan Banneton Basket cannot be long-time exposure to outdoor sunshine exposure, or rain washed.

Rattan Banneton Basket cannot be long-time placed in too wet shade, so as to avoid moldy borers.

Rattan Banneton Basket should be wiped gently with a damp cloth and store in somewhere warm and dry.
