

Factory Wholesale Small Sizes Stainless Steel Baking Tray Sheet Pan Restaurant Food Tray

Main Features of Stainless Steel Baking Sheet Pan Food Tray

stainless steel material, durable

Made of thickening high quality stainless steel material, healthier material, safe to use
It has better corrosion resistance and longer service life.

Electrolytic treatment process

The inner and outer surfaces of the tray are all treated with electrolytic matte technology, which is fashionable and beautiful, matte with good touch feeling, not easy to leave stains, easy to clean and more practical.

Multiple sizes for choices

We supplied multiple standard sizes in deep and shallow options for your choices.

Fashionable rectangular appearance, round corner, wide edge, can choose the right size according to the demand. Customized size is also welcomed in Tsingbuy [stainless steel baking tray manufacturer](#).

Sweet Design

Curling design is adopted for corners, which is mellow, preventing hand cutting and more handy.
Trays of same size can be stacked, saving space
