Customized in Banneton basket factory

As an experienced China bakeware manufacturer, the factory has some standard shapes and sizes of bread basket. There are shapes of round, rectangle, square and heart with different sizes. Customized shape and size can also be made.

How to clean the natural rattan banneton proofing basket

After using China banneton proofing basket, dry it naturally. If there is dough stuck on it, rub off lightly with a brush and clean it in warm and mild soapy water. Then put it in an airy place and dry it naturally. Don't hang the banneton in the strong sunshine.

How to Maintain Rattan Banneton Basket?

Rattan Banneton Basket cannot be long-time exposure to outdoor sunshine exposure, or rain washed.

Rattan Banneton Basket cannot be long-time placed in too wet shade, so as to avoid moldy borers.

Rattan Banneton Basket should be wiped gently with a damp cloth and stored in somewhere warm and dry.
