Hi Jessica,

I am impressed, these are really good. my compliments to you and your team.

I'm impressed, these look really good, my compliments to you and your team. I'm sure my boss will be very happy if all racks look like this prototype.

I can confirm we need 17 levels, and we'll go with your improved type.

Other than that, please make sure the bolts are stainless, the wheels high temperature plastic, and that the bearings are greased with high temp grease.

you're good to proceed!

- 2). logistics cost saving through well cooperation with shipping agent.
- 3). cost saving by training workers and professional engineers.

1. With excellent English language skill, we always work with high efficiency to save your precious time.

2. All our product would be strictly tested b QC department before dispatch.

3. We can offer the most resonable price and best service.

4. Finally we will ensure the lowest shipping cost.

1. How about this baking sheet pan price?

Answer: pls kindly tell me your required size(length/width/height), we will recommend our standard size here. It will need new tooling if it is the customized size

2. May i have a sample to confirm that is what I want?

Answer: we would like to offer charged sample, and usually it will take 3-5days, if nonstick-coating, it will need 7days more.

3. Can you make custom tray?

Answer: we need to see your reference tray photo first, to make sure that we can reach your workmanship requirements, and to make sure it need mould or not.

4. How about nonstick-coating, which is better, coating or without coating?

Answer: it depends on how you using, nonstickcoating can make sure that the bread non-sticking during baking, if non-coating, you need to brush the tray with some oil before use.

5. How long you can delivery the tray if I place the order?

Answer: for standard size, sometimes we can get from stock, if you customized size, it will take 7-10days for less than 300pcs(nonstickcoating will be 7days more), and 20-35days for container quantity.
