

Corrugated Non-stick Pullman Loaf Tin

Main features of golden non-stick Pullman loaf tin

1. Golden color, made of 1.0mm thick heavy gauge aluminized steel, commercial grade and durable for long service life. Aluminium material is also optional.
2. Food-safe and corrugated, non-stick surface allows for quick release of baked-breads. Easy for fast cleanup.
3. Wire in rim design makes it more durable and not easy to deformation for long service life.
4. Multiple function for making sandwiches, toast, traditional loaf breads etc.
5. Custom size as your requirements is welcomed in Tsingbuy [bread pan manufacturer](#).
6. Tsingbuy is a professional supplier which has proudly manufactured high quality baking trays, pullman loaf tins and provided custom bakeware for international market for over 12 years.
