

Cube Bread Loaf Pan with Lid

Main features of cube bread loaf pan with lid

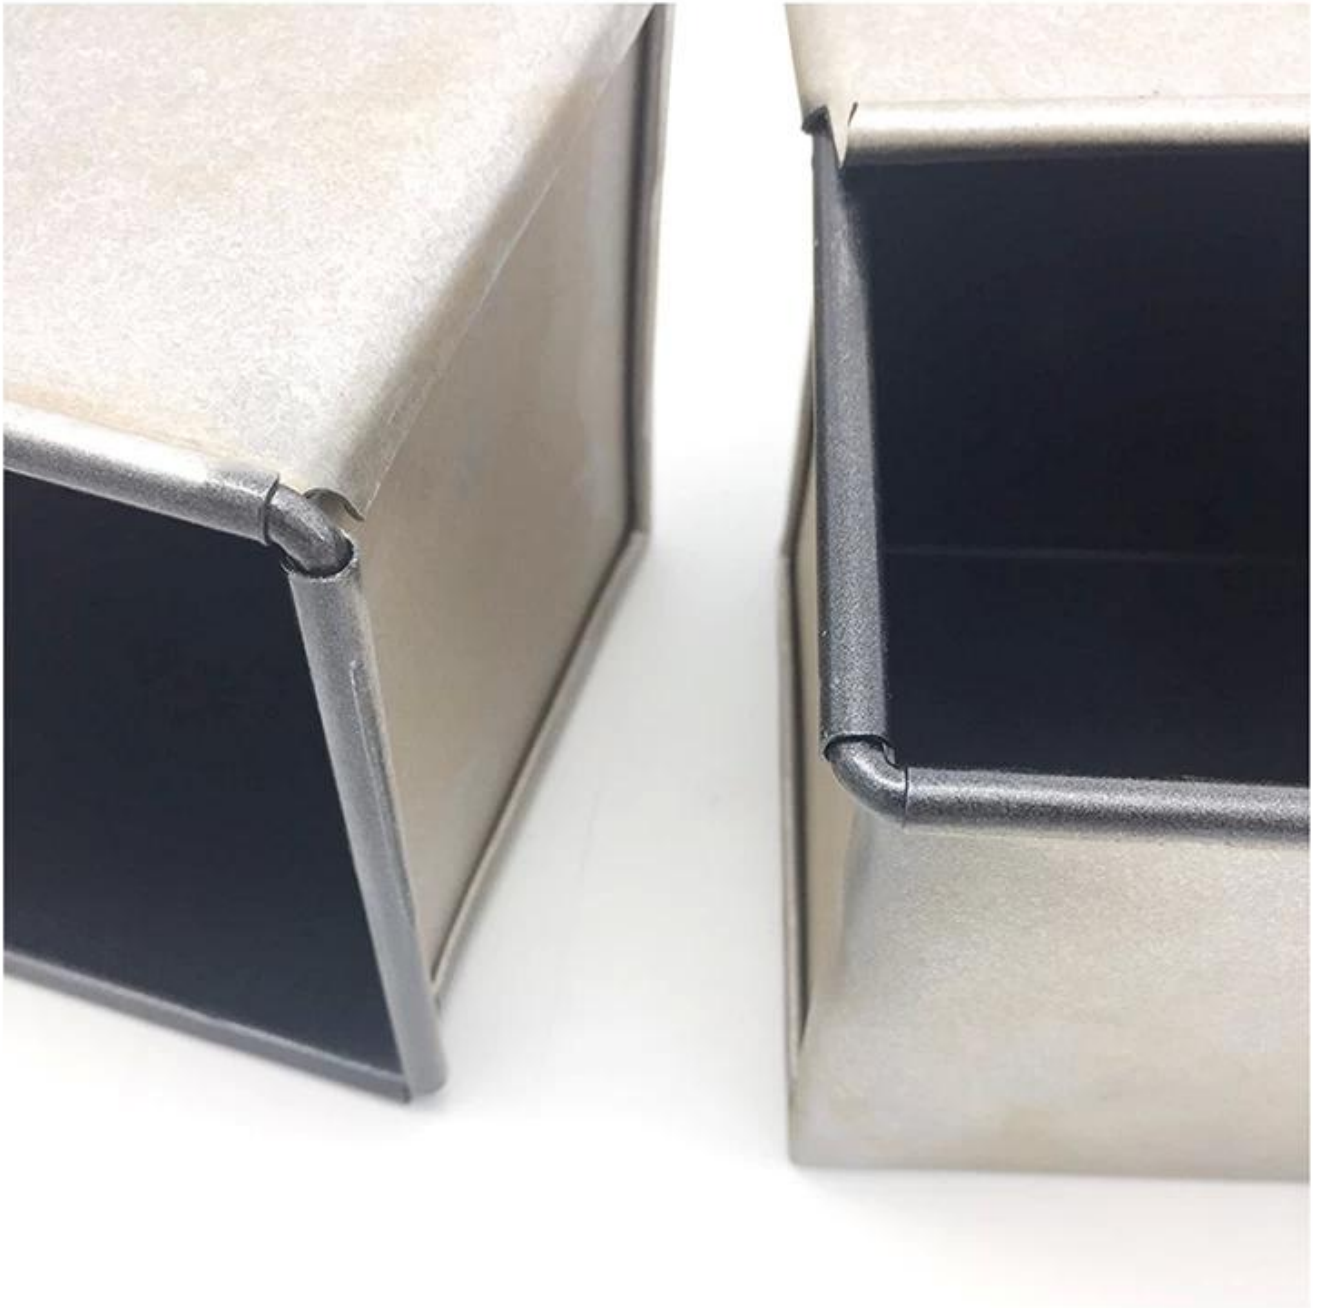

- 1.0 thick aluminum material, best heat conductivity among all the metal baking pans.
- Cube shape design with easily drop-on and drop-off lid, to make accurate cube shaped toast bread.
- Food-safty non-stick coating, easier for bread loaf release and pan cleanup.
- Curling edge and wire in rim for extra support, more strength, better durability and loger service life.
- Tsingbuy had custom manufactured many types of metal bread loaf pan, we are also professional and experienced as a [mini loaf pan manufacturer](#).
