

Industrial 8 Cavities Strap Bread Loaf Baking Pan

Main features of custom made industrial 8 cavities strap bread loaf baking pan

1. Made of high qualified aluminized steel material, good heat conductivity, food-safe and strong durability.
2. Folded construction with reinforced wire support in each pocket, stable and not warp being heated
3. Extra reinforced bar around all pockets provides superior strength and make the whole body more durable
4. The custom design in size makes them suitable for machinery food-production lines, available in oven configurations for greater efficiency
5. The customized strap loaf pan has simple-to-use drop-on cover which can be buckled to be fixed and also has reinforced bars.
6. Tsingbuy [aluminium bread pan manufacturer](#) has more than 12 years experience and ensures you high-qualified product with excellent performance.
