

Stainless Steel Danish Dough Whisk with Wooden Handle

Main Features of Traditional Danish Style Stainless Steel Dough Whisk With Wooden Handle

Sturdy and professional

It is sturdy, professional-grade stainless steel dough whisk with wooden handle manufactured by high quality bakeware manufacturer. It works with bread, cookie, dumpling or pizza dough as well as crepe, pancake or waffle batter, all without creating extra gluten.

Tough and efficient

It is Tough whisk doesn't bend and dough won't accumulate on the stainless-steel wire head; it cleans the side of the bowl like a spatula so you'll use fewer utensils.

Wooden handle for good grip

The ergonomic handle affords a good grip while easing hand strain—the handle is long enough for nearly all home or bakery hand mixing.

Light and good to use

Lightweight, efficient kitchen tool mixes the stickiest dough or blends and folds almost any ingredients by hand in practically no time; perfect for those who prefer not to use an electric mixer.

Easy to clean

They clean up quickly, just swish the whisks around in warm soapy water, rinse and dry.
